A full-page background image showing a view of Earth from space. The horizon of the Earth is visible at the bottom, with a thin blue line of the atmosphere. The surface of the Earth shows clouds and landmasses. In the background, the Milky Way galaxy is visible, stretching across the dark sky with its characteristic band of stars and dust. The overall color palette is dominated by deep blues, purples, and oranges from the Earth's horizon and the galaxy's light.
